**AFFIDAVIT OF DEBT AND VERIFIED BILL OF PARTICULARS**

The undersigned being first duly sworn according to law, deposes and says that she is familiar with the policies and practices, as well as the books and records of the Plaintiff with respect to the matters stated herein, and based on information and belief states as follows:

1. Plaintiff's principal business consists of purchasing charged off receivables
2. The Defendant defaulted on Account No. 3600021
3. Plaintiff purchased or was otherwise assigned this charged off account along with other debts. As a result of the foregoing sale and assignment, the Plaintiff succeeded to all right, title and interest in the charged off account and it now owns the account.
4. Plaintiff conducted a due diligence investigation to determine, among other things, the accuracy of the account information provided to ascertain whether the statute of limitations was a bar to demand or institution of suit. Further, Plaintiff and its predecessor entered into a contract where the predecessor made representations and warranties that 1) it had clear right, title and interest in the account; 2) the account was free and clear of all liens and encumbrances; and 3) it had the power, authority, and full right to sell and convey its interest in the account.
5. According to Plaintiff's records, after application of all payments, credits, adjustments, and lawful offsets, if any, there is still a balance due and owing on this indebtedness of \$12,585.81.
6. The internal Account Summary of Plaintiff is attached hereto as Exhibit A. Such Account Statement displays the account information that was provided to Plaintiff at the time of purchase and assignment and accurately reflects the status of the account as of the date of this affidavit.

The foregoing is true and correct to the best of my knowledge and belief.
